

AI: Perceptions and Misconceptions

Bradford N Barr

bradford.barr@gmail.com

That is way over
my head.

You know you've
doomed us all.

Computers will
never be able to
replicate human
intelligence.

Take Aways

Take Aways

1. Artificial Intelligence is not for geniuses.

Take Aways

1. Artificial Intelligence is not for geniuses.
2. Artificial Intelligence will not kill you.

Take Aways

1. Artificial Intelligence is not for geniuses.
2. Artificial Intelligence will not kill you.
3. Artificial Intelligence is not about making people.
